Two mistakes have been found by Katharine Hunt (thank you very much) in Barbara Walker's Fourth Treasury of Knitting Patterns. These errors have been corrected in later editions.

Page 145 There is reference to a "Diagram 10", which does not exist. Instead, please refer to the 80 Cable Crossings in the front of the book (pages xxiii through xxvi).

Page 218, Floral Mesh. Row 6: k1, yo, dbl dec, yo, k2tog, yo, k1, yo, ssk, yo, dbl dec, yo, k1. (the k2tog, yo had been omitted...)

Page 235, Swag Lace. Rows 10, 12, 14, 16: the second stitch from the right should have an X in it (no stitch) -- and the penultimate stitch on the left side -- same thing -- an X for no stitch.
