

**Knitting Workshop**  
Elizabeth Zimmermann  
Schoolhouse Press  
(2005 edition)

*To celebrate the 14th printing of Elizabeth Zimmermann's Knitting Workshop book (nearly 25 years in continuous print), I added directions for knitting the Epaulet Jacket (photo on page 96), to pages 165 and 170. Alas ... there is a chunk missing from the instructions. This is corrected in the 15th printing.*
