

Errata for Sweaters from Camp

September 4, 2002

We've split the errata list into 2 parts: The first section contains items that will goof up your knitting (actual technical errors)! The second part is a list of knit-picky things that we wish we'd caught, but they will not effect the outcome of your project. Within each part, the corrections are in chronological order. We sincerely apologize for any mistakes in the book - Amy, Meg, & Joyce.
