Errata (2009)

Page 3:

In the size-chart, we put 'rows' instead of 'ridges'. We meant it to read:

"... 2 times, 8 Ridges apart 6 times, 4 Ridges apart..."

Thank you, Helen Gillis, for bringing this to our attention.

Garter Stitch Wrapping:

Helen also thought we should include the alternate option for garter-stitch-wrapping: when next you meet the wrap, leave it in place as it usually resembles a purl-bump.

For some reason, in this particular garment, I did not like that appearance and chose to treat the wrap as I do in stocking-stitch by knitting the wrap together with the slipped stitch. Knitter's Choice.
